VOLUME 1, NUMBER 3

"There is water in every lane, so it is OK."

## COACHES CORNER

So far its been a great start to the swim season. I can't believe how much time the swimmers are dropping at each meet. It is really impressive. Keep up the good work swimmers and your times will continue to drop! This week we have the Boys Invite on Thursday and all swimmers are welcome to come to the meet and cheer on our boys. Thank you parents for all of your support and help with the swim team. It is greatly appreciated.

### ORCA BUDDY REMINDER:

Remember this Saturday June 23rd Big Buddies are making posters for their little buddies. And Tuesday June 26th little buddies are making posters for their big buddies. The posters can be brought to the pool the day of the swim meet or any day prior to the swim meet. If you are going out of town it would be recommended for the posters to be brought to the pool before the meet. It is really important for these posters to be made for the buddies so they feel special.

### SWIMMERS OF THE WEEK:

Swimmers of the week are swimmers who stood out to the coaches. They worked really hard at practice and never complained. They were an example to the other swimmers on the team. Last weeks swimmers of the week are Robert Stein and Fiona Baenziger. Congrats swimmers.

## MANY THANKS!!!

Thank you those volunteers working the Boys Invitational meet. Within a couple of hours of asking for extra help, three more people volunteered. Your continued support of the swim team is greatly appreciated.

Thank you to the June 22nd Fun Friday treat providers: Jenny Miller, Eileen Barry, Jill Wittwer, Trish Fallon, Heather Larson.

## PERSONALIZED SWIM CAPS ARE IN!

We have the swim caps you ordered. Please see Pam Deely (Meet Director) to pay for and collect your caps. Thank you so much for your patience.

## BEST TIME CARDS

If your swimmer received a best time card, that means that they dropped time from the Breckenridge meet to the River Run meet in a particular event. The negative number in the bottom right corner lets them know how much time they dropped. Each time they drop time from a previous meet, they will receive one of these cards. Congratulations to all of the swimmers!!!
